PROFILE

Junior web designer who independently planned, designed, tested, and deployed personal web applications, directing AI-generated implementation. Experienced in defining features, designing page layouts and navigation, reviewing visible results, checking forms and calculations, and updating applications. Also brings business research and content production experience.

RELEVANT SKILLS

Page layout and visual hierarchy · Navigation and interaction design · Website content updates · Mobile layout checks · Form and navigation testing · Functional calculation checks · AI-assisted app creation · Deployment and updates

Tools used: Canva, CapCut, ChatGPT, Claude, Codex, VS Code. **AI-assisted project stack:** React, Vite, Firebase, Vercel.

SELECTED PROJECTS

CashBelle — independent personal project, AI-assisted development · 2026 · [Case study](#) · [Live app](#)

- Planned and deployed a finance app for tracking income, expenses, investments, debts, net worth, and savings goals. Other people can create their own email accounts.
- Defined page structure, financial summaries, forms, and navigation; directed AI-generated implementation and reviewed the visible results.
- Tested forms, calculations, interactions, and mobile layouts during personal use and deployed updates.

Goddess Plan — independent personal project, AI-assisted development · 2026 · [Case study](#) · [Live app](#)

- Planned and deployed an app for routines, workouts, meal and calorie tracking, life goals, and diary notes.
- Designed the dashboard, navigation, tracking screens, and checklist interactions; directed AI-generated implementation.
- Tested forms, interactions, and mobile layouts, reviewed visible results, and deployed updates.

EXPERIENCE

Best of Cebu — Video Editor & Content Creator · June 2025–September 2026

- Researched local businesses, interviewed owners, and organized information for articles and digital content.
- Captured and edited photos and videos for business features and coordinated weekly content priorities with the CEO.

Remote Imaging Consultants — Recruitment Support, CFO search · March–April 2026

- Created hiring graphics, posted the opening, sourced candidates, maintained applicant records, and supported shortlisting and interviews.
- Identified the candidate within one week; the candidate was hired three days later.

vCUSTOMER Philippines — Associate, Customer Support · September 2024–April 2025

- Processed customer orders, returns, and account updates using internal systems and maintained accurate records.
- Helped upset customers feel heard and calmly explained what happened with their orders and the relevant policies.
