Criste Joy Calosor

Junior Web Designer | Website Assistant

Cebu, Philippines · 0929-841-5211 · cristejoycalosor13@gmail.com

Portfolio · CashBelle · Goddess Plan

PROFILE

Web designer and website assistant who planned, designed, tested, and deployed independent personal web applications with AI-generated code. Defined features, page layouts, and navigation; reviewed visible results, tested forms and mobile layouts, and directed updates. Also brings business research and content production experience.

RELEVANT SKILLS

Page layout and visual hierarchy · Navigation and interaction design · Website content updates · Mobile layout checks · Form and interaction testing · AI-assisted implementation direction · Deployment and updates

Tools: ChatGPT, Claude, Codex, VS Code. **App hosting:** Vercel.

SELECTED PROJECTS

CashBelle — independent personal project, AI-assisted development · 2026 · Case study · Live app

- Planned and deployed a finance app for tracking income, expenses, investments, debts, net worth, and savings goals.
- Defined page structure, financial summaries, forms, and navigation; directed AI-generated implementation and reviewed the visible results.
- Checked forms, financial summaries, interactions, and mobile layouts during personal use; directed fixes and deployed updates.

Goddess Plan — independent personal project, AI-assisted development · 2026 · Case study · Live app

- Planned and deployed an app for routines, workouts, meal and calorie tracking, life goals, and diary notes.
- Designed the dashboard, navigation, tracking screens, and checklist interactions; directed AI-generated implementation.
- Checked forms, interactions, and mobile layouts, reviewed visible results, and deployed updates.

EXPERIENCE

Best of Cebu — Video Editor & Content Creator · June 2025–September 2026

- Researched local businesses, interviewed owners, and organized information for articles and digital content.
- Captured and edited photos and videos for business features and coordinated weekly content priorities with the CEO.

Remote Imaging Consultants — Recruitment Support, CFO search · March–April 2026

- Created hiring graphics, posted the opening, contacted candidates, and supported shortlisting and interviews.
- Identified the candidate within one week; the candidate was hired three days later.

Tech Mahindra (vCUSTOMER Philippines) — Customer Service Representative, Target account · September 2024–April 2025

- Handled inbound order and account inquiries; processed orders, refunds, returns, cancellations, and replacements.
- Helped upset customers feel heard, explained order issues and policies calmly, and documented cases in Salesforce.
